EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Celia C. Dunham on May 2, 2007.

The application has been amended as follows:

- In claim 1 line 2, change -image-capturing apparatus comprising a housing- to "image-capturing apparatus comprising a casing".
- In claim 1 line 3, change -module installed inside the housing- to "module installed inside the casing".
- In claim 14 line 3, change -the housing of the image-capturing apparatus- to "the casing of the image-capturing apparatus".

2. The following is an examiner's statement of reasons for allowance:

The present invention relates to a strobe device for an image capturing apparatus. The independent claims 1 and 18 recite an external strobe module comprising a battery module for supplying operating electric power of the strobe module; a first electric port for connecting a transmission module of an image-capturing apparatus and transmitting the electric power produced by the battery module to the transmission module to supply the operating electric power of the image-capturing apparatus, and a transformer for

transforming an outputting voltage of the battery module into the standard voltage of the image-capturing apparatus and outputting the standard voltage of the image-capturing apparatus via a first electric port. The prior art fails to disclose or suggest such an apparatus described in the independent claims 1 and 18, therefore, claims 1-26 are in condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
